Superintendent of United States Mint,

Philadelphia, Pa.

Dear Sir:-

We have noticed new silver "quarters" and "halves" of the issue of 1888, and would like to obtain, say, one thousand dollars of each, for use among our officers and directors.

Please advise us how we can procure them.

We will make payment either by depositing the money here, or by sending you a check, or in any other way that you may suggest. It would be a great accommodation to us.

Also, later on, we would like to procure some new nickels and pennies.

Very respectfully,
Edw'd Skillin, Cashier,
